

God is making all things new

As we begin Della's third year as our Rector, so much is new and exciting at Emmanuel!

- the imaginative collaboration with the Newport Music Festival
- the restoration of the school space into a beautiful performance space
- a remodeled kitchen with catering clients
- two new hydroponic garden installations, growing more food
- new members bringing their gifts of time, talent and treasure to Emmanuel

Please connect with our growth by making your own pledge for 2022.

Every pledge, no matter the amount, makes a valuable contribution to our mission and ministry. The Vestry cannot budget responsibly for the year's expenses without sufficient pledged commitments. Everyone should make a pledge to support Emmanuel Church!

A tithe (10% of your income) has long been the standard of Christian giving. You are welcome to give more, of course, or the tithe may be a goal that you reach by making incremental increases each year

To make a pledge: Fill out the Pledge Card and select your method.

- Weekly pledge envelopes with check or cash
- Direct payments from your bank, Bill Pay
- Vanco online payments- link to setup your secure payment is on our website.
- Venmo payments – mobile app, enter *Emmanuel Church-Newport-RI*
- Stock transfers
- IRA withdrawal and Required Minimum Disbursements which may be tax-free as a Qualified Charitable Deduction

Our pledge campaign began on September 26th with a testimony from parishioner Jane Gilgun. Over the next weeks we will hear from Valerie Martin and Nick Brown as they share their vision of Emmanuel Church.

We will celebrate on Stewardship Sunday, October 24, by blessing our pledge cards during the service. Please bring your pledge card then or send your pledge to the Church Office.

There is an online card on our website under Giving if you prefer to submit to the bookkeeper by email. Our Assistant Treasurer, Liz McCarthy, is available to answer any questions.

Peace and Blessings,

Debra Venancio
